The number of children entrusted for the 1 <sup>st</sup> quarter were those accepted in the last quarter of the previous year or those cleared in the 1 <sup>st</sup> quarter of 2019 but travel documents/entry visa were issued only during the 1 <sup>st</sup> quarter of 2019.

Most of the children cleared were older children and members of sibling group thus requiring Special Home Finding as there are no available approved adoptive parents in the Roster of Approved Applicants. Some of the cases of the children had lacking information or supporting documents.
